To Whom it May Concern:

I am writing to recommend Dawn Ciccone for the position she is applying for. As a member of the Jersey Shore Running Club, I have known Dawn and worked closely with her since 2010.

My first interactions with Dawn were when she was the coordinator for our annual Adopt-A-Family program. As the coordinator, Dawn was in charge of working with a local church to acquire 4 families for our club to "adopt" during the holiday season. She was also the point person for keeping track of gift & monetary donations to the families as well as organizing and securing a location for a gift-wrapping party.

Additionally, Dawn is one of the most energetic & dedicated runners I've had the pleasure to know. She continually shows a commitment to and love of the sport by taking time to talk to new runners about all aspects running – from general questions about how to get started to very targeted training questions. Her years of experience as a high-level runner gives her a wealth of knowledge that many of our members draw on.

I firmly believe you will find Dawn to be as big an asset to your organization as the Jersey Shore Running Club has.

If you need any more information or have any questions, please feel free to call me at 732-456-1938.

Sincerely,

RE: Letter of Reference for Dawn Ciccone

To Whom It May Concern:

I would strongly recommend Dawn Ciccone for any position requiring organizational skills, team development and building relationships. I have known Dawn since 2005 and I have had the opportunity to see first-hand a mental toughness that far exceeded the average individual or athlete. She possesses a warm friendly personality coupled with a persistent, strong mindset. As an endurance athlete and co-owner of a Triathlon Promotional and Race Management company, I have witnessed Dawn's exceptional "people-skills" when working with her fellow athletes. She has personally overcome many physical obstacles and her focus and resolve has remained strong. She is a positive role model to anyone aspiring to reach their goals.

If you have any questions, and/or would like to speak to me directly, please feel free to call me at 908-309-5174.

Sincerely,

To Whom It May Concern,

Dawn Ciccone reminds us of another hero with courage and determination, Terry Fox. With an artificial right foot, after 143 days, Terry crossed 5,373 kilometers across Canada for a worthy cause. In doing so, he abundantly showed courage, determination, and he was as big as life.

Dawn Ciccone is a motivational speaker, author and athlete, who like Terry Fox made her way back from injury with strength and determination and uses her experience to teach and inspire others that they can do anything they put their mind to.

Consequently, Dawn shows her entrepreneurship by being a role model and great public speaker easily capable of touching everyone's heart. It is with honor, pride and pleasure to recommend Dawn Ciccone with all my heart."

Warm Regards,

Daniel Caron
